

2019 IEEE Antennas and Propagation and USNC-URSI Radio Science Meeting

7-12 July 2019 • Atlanta, Georgia, U.S.A.

Interactive Forum Poster-Board Dimensions

- Each presenter will be allocated 4 ft. by 8 ft. for mounting of the poster. Each board will accommodate 1 presenter.
- Posters can be mounted as early as 12:00 noon on the day assigned for presentation.
- Presenters must remain at their own poster for the first 60 minutes of the session (16:00–17:00) and may continue presenting, or may view other posters for the final 60 minutes of the session (17:00–18:00).
- Posters should be removed immediately following the session at 18:00. Posters not removed will be destroyed.
- Because of the frame of the poster board, the usable area for one poster is 46 inches tall by 94 inches wide. See the diagram below for measured dimensions.
- Posters are not required to fill the complete space; Posters may be smaller, but no larger than 46 inches by 94 inches.
